Reissue Applications

Claims 1, 3, 4 and 6-22 are rejected under 35 U.S.C. 251.

That is, the amendatory submission is still not in compliance with 37 CFR 1.173. as amendatory changes have not been made with respect to the patent. For example, in the amendment in claim 1, line 14, the word "comprising" is bracketed to indicate that it is being deleted and in line 15, an "r" is added to the word "fist". However, the word "comprising" is not in the patent and the patent reads "first" not "fist" (col. 13, lines 5-6, the patent text reads "stockpiling conveyer comprises a first lower part pivotally attached to the chassis and a first upper part").

Applicant is instructed to carefully review the patent text of all the claims and to revise the claim amendments in accordance with 37 CFR 1.173.

Further, in accordance with 37 CFR 1.175(b)(1), a supplemental reissue oath/declaration under 37 CFR 1.175(b)(1) must be received before this reissue application can be allowed.
